Sir,

pgs 3-4 supra

I have the honour to submit herewith the letter R.C.No.584/C.T.B./32 dated 24-1-33 from the President, Taluk Board, Coondapur regarding transfer of provision of Board Elementary School for boys Ajri to Padukone in the Coondapur Taluk Board and to state as follows:

The Board school at Ajri is reported to have been opened out of the subsidy sanctioned in G.O.No.877 L.E., dated 23-5-25. It was a single teacher school and the Board is reported to be in receipt of an annual subsidy of Rs.252. The school was not working satisfactorily and it was therefore closed on 26-8-31. With the provision thus set free a school is reported to have been

not pursued up

opened in Padukone centre of Hadavu village on 23-5-32. It is reported that Ajri centre may not require a school now as the Board School there was a failure. Any private agency may come forward to open a school there when the villagers find the need for one.

The new school is reported to have been opened in Padukone centre (population 628) of Hadavu village (population 757) on 23-5-32. The number of children of school age in the village is 103 and that in Padukone centre is 86. The distance from this school to the nearest school is reported to be over a mile.

The school at Ajri is reported to have been closed on 26-8-31 and the one at Padukone opened on 23-5-32. G.O.No.62 L.E., dated 15-1-32 lays down that previous sanction of Government should be obtained for the transfer of provision. The President, Taluk Board however says that previous sanction of Government as required in the above G.O. was not obtained by oversight. He therefore requests that approval for the transfer may be accorded from the date of opening of the school in the new centre Padukone i.e, 23-5-32.

The transfer of provision is recommended Subsidy may also be recovered from the Taluk Board from 26-8-31 the date of closure of the school at Ajri till the date of approval of the transfer of provision by Government after deducting the percentage cut.

Sir,

Through the Director of Public Instruction,
M a d r a s.

a n d

the District Educational Officer, S.Kanara
M a n g a l o r e.

I have the honour to state that the Ajri Board Elementary School, which was opened on 1-8-1925 out of the subsidy sanctioned in G.O.No.877 L.E. dated 23-5-25 did not thrive in the locality and it was found to be not worthwhile continuing with a strength and attendance of 4 and 2, respectively. The school was therefore closed from 26-8-'31 at the recommendation of the District -

Educational Officer, South Kanara. It was a single teacher School and the annual subsidy payable for the School was Rs.252/-. The rate of salary sanctioned for the teacher was Rs.15/- per mensem.

2. The District Educational Officer, South Kanara in his letter R.C.No.1371/31 dated 8-8-1931 recommended that a school may be opened in the Padukone centre of S.No.57 Hadavu village of this Taluk, out of the provision of the Ajri Board School, as the village was school-less. A School has therefore been opened in this centre on 23-5-32. The population of the village is 840 and the strength and attendance of the school are 37 and 26 respectively.

3. In G.O.No.62 Law and Education Department dated the 15th January 1932, it is laid down that previous sanction of Government should be obtained for utilising the provincial subsidies sanctioned for schools in the centres originally approved for opening schools in other centres. Previous sanction of Government was not applied for in the present case by oversight.

4. I request therefore, that the Government may be pleased to accord sanction for the transfer of provision of the Ajri Board Ele.School for the maintenance of a School in Padukone centre of Hadavu village, with effect from 23-5-32, at as early a date as possible.

I have the honour to be,
